“ I also went to junior high and high school with Misty. She was always so friendly with a smile on her face. She was an inspiration to so many with the positive approach she continued to take toward life after her injury. I spoke with her years ago when she was temping at JB Hunt and like always before, she had a way of lighting up a room.
Prayers for strength and understanding for her family and friends during this difficult time. Wish I'd had the opportunity to connect with her again in recent years. God Bless her loved ones.
