“ *I shall miss Mozelle. She was a wonderful quilter and I felt good knowing she would pick a patter to design that would be a perfect compliment to the quilt. Always kind, sweet and gracious, she was a beautiful person with a wonderful gift and skill. I shall think of her always when I see the quilts she finished for me.*

*I am so sorry for your loss.*

“ We have some great times camping with your mother. She always made it a memorable time and fun. I remember one time on the mountain at Oark deering hunting with your Mom and Dad when we had a beautiful snow. We had another memory on the Buffalo River when Jan and Rocky were younger and our girls were small. We ended up in their camper due to a storm. Prayers for the family in this difficult time.

“ I was saddened to hear of the passing of your sweet Mother. I am a quilter and met your mother about 4 years ago when a friend took me to LA Quilts to purchase fabric.

*In 2017 we created a non profit that makes quilts for the Children's Hospital and purchased several hundred dollars each time we went to LA quilts. She also did not charge us sales tax since we were a state and Federal non profit.*

*Your mother will truly missed, as she was a great lady, did beautiful quilting and was always smiling when you walked through the door. Prayers for your family during this difficult time.*

*I was saddened to her of Ms Mozelle passing and pray for the family. When we attended Sunnyside, I would love to sit in the back before service and just hear the many stories she would tell. She made me laugh so much that sometimes I didn't want leave ... I just loved being around her.*

“ *I will miss this lady so much. I was so fortunate to be the one to cut her hair for many years. We shared the same passion for quilting, so we had many great conversations over the years. Enjoyed going to her quilt shop where she always willingly helped me with whatever project I was working on. Yes, I will really miss her. So sorry for your loss as a family. Karen Tennison*
