“ *Growing up with Nancy, my big sister in an old farm house where we shared a bedroom that in the spring looked out over a row of fragrant lilac bushes, was a special time. Nancy would make beautiful doll clothes for my "babies" as she was a member of the local 4H club. Other sweet memories of our time together growing up picking strawberries, her off to college, Nancy and Bob's wedding reception in our family yard, then a year later a baby niece and nephew to watch grow up...all great flashbacks of a time long ago and so precious now.*
