“ *Nena was one of my basketball girls at Springdale High in 1950
It was my last year to coach there. I remember her as an energetic
guard
who always tried to follow directions. I just wanted her family to
know that she is remembered by her old coach who is 94 years old!

Nena was one of my best friends all during our childhood days. I spent many nights with her and her family when they lived "out in the country" in Springdale, and during our days at 1st Baptist Church. I loved you girls for having all of us "Dirty Dozen" at your home when we had our 50th SHS reunion. It made me realize how much you loved your mother and appreciated all her friends. I will miss her. Thinking of all of the family. Wish I could be at the funeral, but it isn't possible.

We always loved hearing stories from mom about her "Dirty Dozen" girlfriends. What fun you guys had! It was such fun to meet you at that luncheon.
