“ *Alex and I are so sad to hear about our sweet Nina. We met her several years ago when we moved here and didn't know anyone. She did some sewing for us and became a friend that we will never forget. Alex loves to sew also and she and Nina loved to talk about their sewing. She also spent some very special time with Alex when she was dealing with some personal issues-time that Alex treasures. We loved her and will miss her terribly. Our love and prayers go to the family. Tiajuana and Alex Gough*
