“ *Leisha and Lynnlee,  
I just recently learned of your mom's passing. Please accept Tommy's and my condolences. We have very fond family memories of Nonnie in her younger years, and thoroughly enjoyed visiting with her in Austin back in the 80's. You couldn't spend time with her and not laugh. She was a great story teller and a charming lady. Sad to say my last conversation with Nonnie was shortly after my mom (her Aunt Natalie) died. Even then, we laughed a lot.  
I can be reached at [jzd@suddenlink.net](mailto:jzd@suddenlink.net).  
Much love, JoAnne Zogheib DePalermo*

“ *I have so many great memories of my amazing Aunt. She was full of fun and life and style. Because she lived far away, her visits were eagerly anticipated events in the Jones household. I knew I could count on a good time when Aunt Nonnie came to visit. Many prayers and much love to Leisha and Lynnlee. Your cousin in Texas is with you in spirit.*

“ *Deepest sympathy to Lynnlee and Leisha and all Nonnie's family. It is so hard to lose a mother/grandmother/sister. Nonnie was a very special lady. She was one of the first friends I made when I started working at Social Services (later DHS) and she remained a friend through all the years since. I have many fond memories of her -- fun times, lots of laughs. Rest in peace my friend. You will be missed.*

“ Nonnie was my first friend when our family came to Springdale in May 1981. We had purchased Peter PanPreschool and she was our licensing specialist. As the years past and our preschools expanded and we created the Springdale After School Program, she was always available to give us valuable advice and encouragement. Her primary concern was the welfare of the children, parents and those responsible for their care. She was active in several local and state childcare organizations and served unselfishly in any capacity to which she. was appointed or elected. In the field of childcare she was definitely unique. Her focus was the children, not what was politically correct at the moment. She truly deserved more appreciation than she ever received. She will never be replaced as a woman who stood true to her convictions regarding children. May she find the peace she so richly deserves. Bonnie Coates
