“ *Donnie, Vanita and family,
I really came to love Ms. Ocie, Donnie and Vanita. I am so sorry that I was not able to be there for the family in this time. You still have my number. Please call me at any time. Know that I cannot express in words the sincere sympathy I have for losing a loved one, especially for you Donnie. Know that my loving, thoughts are embracing you and your family at this heartfelt time. Remember this:
Life.....so fragile, Loss....so sudden, Heart....so broken,...in the wake of such a loss, we are haunted by things we don't, and may never understand. Yet the solace we seek may not come from answers. So we look for comfort in the belief of love's everlasting connection. May that love lift you and hold you close, and give you peace and
Death leaves a heartache
No one can heal;
Love leaves a memory
No one can steal
Memories will always be there. Keep them close at heart and close in mind.....Tina*
