“ *I loved sitting on the porch with Oda Vee. We were neighbors for several years. I would come home from work and we would sit and talk. For the past few years I heard the same story every time I went over. I loved hearing that story of how she went to California on a bus. How she met her husband etc. Her story never changed and her laughing while she told it will always be what I remember. She was a sweet person to sit and visit with.*

“ OdaVea was delivered by my Grandmother Grace Markley. Her mother Ruby said Aunt Grace I am going to let you name her. So she had 2 friends back in Kansas named Oda and Vea. She said “No one else will ever have her name “. I looked up to her and Verlyn Smith like older sisters when I was a young girl. She became very close with my mother, Viola Markley. We continued that closeness over the past 20 years with frequent phone calls. My husband Bill (Mac) and I looked forward to a visit with her and your Dad when we made annual trips back to Arkansas. We usually ended up going to Western Sizzling which we all enjoyed. She will always have a place in my heart. May she Rest In Peace.
