“ *I am very SADDENED of the loss of one of the sweetest mother in laws a gal could have. I was glad that I got to visit with her the last time I was down there in Springdale, AR in 2015.*

I just wanted to say HI to everyone while I was there those 5 days helping my current mother in law with the recent death and burial of her husband. Even she, Alice Wellnitz has now passed away in September of 2021 at the age of 89. I never meant any harm or trouble, just for the record. I have no idea why some family members thought that, but hey, no big deal anymore. I had no idea that Jane had passed away...I just have been concerned about Patrick and family. Hope they are all okay. I will be moving to Florida...need a break from Kansas.

Hello, Patrick. I am so sorry for your loss. Will keep you and your family in my prayers. Jane was a wonderful mother-in-law, always had the kindest heart. I know she will be greatly missed by all who knew her, God Bless her soul. I was certainly glad I did have the opportunity to visit her one last time at her place in Springdale, AR in 2015. She showed me pictures of everyone that day and we just had a great visit. She seemed in good health that warm summer day.

I was there in Gentry, AR helping my mother-in-law Alice who had just lost her husband Jim Wellnitz, stepfather to Ken. Since I was so close and had a bit of extra time, I took advantage of it and visited Jane and then Mary Beth and her family. Loved her new home, thought it was very pretty and very nice.

I do hope to hear from you letting me know what is going on in your lives. We will soon be leaving for Zephyrhills, Florida to live in a 55+ community RV Resort.

I eventually plan to sell the home here in Kansas City, KS. I want to move to a Free state with a great freedom-loving Governor. For now, I have decided there is no country worth moving to, not even Costa Rica. My friend Linda Hamilton says they are really forcing the masks and stores selling only to the vaccinated, and she, like me, is adamantly against the so-called vaxxes as we both know the truth about them.

Take care, God Bless you and your family.
