“ *Jean was one of the kindest, helpful persons I ever knew. She was the heart of my father's, Dr E.L. McNally's dentist office. Once he retired and moved to Treasure Island, Florida, Jean took care of his Springdale rentals and other business. She had the most wonderful smile. I never heard a discouraging word. Jean was very special, very unique, very happy. I think of her often, and those memories always made me smile. James McNally*

“ *Oh the memories of Aunt Jean, the pleasant memories of visiting her at home, the nightmares of visiting her at Dr. McNally's dental office. She always made time to visit when I was the nephew from down the street or the grown man with a family dropping by for a visit. Rest in Peace, Aunt Jean.*

“ *Aunt Jean was a very special person in my life. I spent many hours in her living room talking about her family and mine. She was very fond of my children and always wanted to hear about them. I am sorry I have lived so far away during her last years. She will be remembered.*
