“ My condolences to Pat's children and siblings. I worked with Pat many years ago at Bell International. I always remember his great sense of humor and his great work ethic. Enjoyed working with him. He was a good-hearted man and will be missed. Gone too soon.

“ So sorry to hear this. After I moved away from Fayetteville, I lost touch with Pat. But for years we played more racquetball games than I could count and had some great times hanging out. He was a really kind and generous soul, with a great sense of humor. Really sad. All the best to his family.

“ Pat and I became friends at FAC and talked almost daily for 20 years. He almost always had a story to tell or a joke to tell. Pat had a big heart. He once saw an older lady crossing slowly (using a walker) on Crossover and Mission. She was using a walker so it was taking a while. He pulled his truck over, got out and helped her get through the intersection. He asked her a few questions and figured out she was really in need. He took her to Walmart, bought her groceries and carried the groceries inside and put them up for her. He gave her his number and said if she needed anything else to call him. That was just one sample of what he was like. I will miss him and I know many many people feel the same. Rest in Peace my good friend!
