“ I wish things had been different for you.

“ I have been thinking about you a lot, lately. It was just over a year ago when I was trying to get you admitted to the hospital. I really hate you had been misdiagnosed and subsequently had a delay in treatment. 😭💔

Hopefully, doctors and nurses learned something and it will help them with other patients in the future.

Anyway, listening to Tool and still mad you didn't sell me that ticket to see them. 😭🙄👉👎

"I HAVE NO EYE FOR FASHION!?" 🤪

 **Patricia Dewberry** *Yep, you know.*
He was so intense.
He would give that look and say, "Do you understand!?"

It really hurts my heart to think he probably did not understand how much he was loved.

Ooh, Patrick ❤️
