“ *I am Pats God mother Suzy. I loved Pat so much. We talked so much about our love for Jesus, country music, funny movies, and dogs. My funnest time with him was when I went on a road trip with him, his future sister-in-law and his mom. What a bunch of funny events and bad singing. I wore a lot of his handy me down jeans and tee shirts. He was my friend is all I can say. I will miss him terribly until we get together again.*

Pat was such a kind soul, with a smile that couldn't help but make you smile. God bless him for his selfless act of being a donor, a part of him will live on through them. My heart and prayers are with you all 🧡🙏
