“ *Didn't know you that much in life Paul. But what I did know you were a good man. Will miss our breakfast together, our laughs, and our love for Tonka Toys. And to the family, sorry for your lost. Nothing I can say to you will make you feel better, but can you as life gos on, as you remember him. He will make you smile as he lives in your heart. Love you like a brother Paul. See you later. Richard*
