“ *Well, the first time I ever had fresh strawberries was with Paula and the Hall family in the late 1960s. I was a Yankee having moved to Arkansas in 1968 and the Halls had me out to the farm--quite an experience for this 12 year old boy--chickens, hay fields, and a farm five miles from town. Anyway, the Hall family took me right in and made me feel welcome. My condolences to the family--Paula was a beautiful soul.*
