“ *May the Lords bless and keep Paula's family in His hand ... that is what she would have wanted.
I will remember Paula from our long ago days of being young and full of the promise of tomorrow. She was always laughing ... loads of fun .. I don't remember her ever being negative .. even when things weren't going well.
While she will be missed ... just know her smiling face is looking down on her family.*

“ *Thoughts are with the family of Paula at this time. We had so many good times with her when Curtis was young and we were going from ballpark to ballpark. She was a hoot to be around. Remember the good times.*
