“ *Oren & Betty, My deepest sympathy & prayers for you & your family during this loss. I remember Peggy as a sweet, smiling little girl. We, as parents should not have to bury our child. I relate to what you are going through. Only God can see us through these trials. Cherish the memories.*

“ There are so many wonderful, sweet memories of Peggy. I remember how talented she was with decorating & floral arranging. How she would help decorate families homes as well as her own. She took delight in creating beautiful surroundings and putting smiles on those faces of people she loved. She had a gentle, caring heart, sharing her compassion for horses and dogs. My greatest memories of Peggy, is what a wonderful mother she was to Heather, Holly & Haley. None can compare to the love of a mother or grandmother. She always had a smile on her face at the mention of her grandchildren. My deepest condolences to all of her family. Cherish the memories and thoughts that she no longer has to endure any more pain. She was one of the strongest & courageous ladies that I ever had the honor of knowing. Oran & Betty, she would often talk of the love & respect that she had for you both. I cannot fathom the heart aches that all of you are having to endure. I pray that our Lord comfort you & give you each peace in knowing that Peggy is no longer in pain and that we will be reunited with her again one sweet glorious day!

“ I remember sitting in a row at Sunday school with Peggy. We use to laugh and have so much fun. We were in high school at this time. We all got married in August 1977 and watched each other have babies of our own. She had such a beautiful smile and a sweet spirit. Betty and Oran I am so sorry and will continue to keep you, Peggy's girls and family in my prayers. May God comfort you.
