“ Penny was a shining star with a beautiful way of bringing out the best in everyone she encountered! I watched her grow up and into a beautiful young lady. Her love for her parents and friends was ever present. She will be remembered fondly and missed greatly by those she loved and those who loved her back. My thoughts and prayers for peace and comfort are with her family at this sad time 🙏💖. Shine on Sweet Penny 💖

“ Penny was a light of encouragement every time she walked into our spin class! I'll always remember how she pushed through, how she celebrated at the end of class , and how she quietly lifted everyone else up without even trying.

“ Penny was one of my best friends in elementary school & into junior high. We hung around together so much (especially at the Springdale pool) that people who didn't know us thought we were sisters! I have a lot of fun memories of spending time with her.
