“ *I am so sorry to hear of Phil's passing. I worked with him in the late 1990's, my first job out of college. Phil was a wonderful person. He had a heart of gold and a great sense of humor. He always had a smile too. My thoughts and prayers are with the family and everyone at Schmieding.*

“ *I didn't know Phil extremely well since I started a few months ago, but every single time I encountered him I could tell he was an a really kind person. I can tell all around me that he will be missed and I wish I had more time to get to know him here on earth. I will see him again in eternity with our savior and we will laugh about how he showed me where the best ice machine was located in the building. :-)*

John 14:23

Jesus answered him, "If anyone loves me, he will keep my word, and my Father will love him, and we will come to him and make our home with him.

“ I was extremely saddened to hear the news of Phil Owens passing this past weekend. Although we only worked together for a little over 3 years, I found Phil to be a gentleman in every sense of the word. His calm demeanor and witty sense of humor made even the toughest of days better. Phil is in a better place now, but will be dearly missed by all who had the pleasure to know him. I cannot help but get a smile on my face whenever I think of Phil and am grateful for the time I had with him. My thoughts and prayers are with his family during this difficult time.

“ We started doing business with Schmieding Produce back in the 60's. We have worked with Phil from day 1. He was amazing at his job, and his outgoing personality really won us over. He was one of those guys that you felt like you were his best friend. He was very genuine, and he will be missed by all of us at Peterson Bros. Potato Farm. Our heart goes out to his family and all of his coworkers, he will be so truly missed by everyone that has had the pleasure to meet his acquaintance.

“ *I have always looked up to you Uncle Phil and I always let you know every time you made us youngsters look bad by how swaue and Romantical you were by showing us how to treat a Lady, lol. I admired how you always had time for family and I'll never forget how you hooked me up with the "watermelon King pin" and how much fun we had telling stories on each other. I will always cherish the memories and I'll never forget how much I've learned from you. You have made such a positive impact on a lot of people's lives that you will never be forgotten, I Love you Uncle Phil.*

“ When I saw this it hit me hard...I knew Phillip since he was a little boy. His parents and My parents were good friends, we lived just a few houses down from them, across the street, on Greenlawn Dr. I will be praying for the Owens family...God be with you all.
