“ I sure have a lot of memories of Phillip over the years; he helped in training me when I went to work at Heekin Can & had the honor of crawling into many presses with him. He had some good boys that I got to grow up with & I remember how much he loved that ol' truck! Our thoughts & prayers are with all of you that loved him & we will miss him with you. “ Our thoughts and prayers to all the family. Uncle Phillip was so fun to talk with and share jokes. I loved talking cars with him and admired all he did to restore his truck. He will be missed by all of us. Wish we could be there to pay our respects in person. Wilma and all the Meeks family.
