“ The service for Priscilla was so nice. She would have been pleased. For many years we have worked together nearly every Friday morning at our TOPS club. I could always depend on her help. I was blessed to call her my good friend. My prayers are with her children and family now and in the days to come. Juanita Todd

“ Dear Family.....was so sorry to hear about your mom. I remember her so well when she taught in Gravette. She was such a good teacher and a wonderful person. My dad Mack Presley thought that your mom and dad hung the moon. They were such good friends. Friendships like they had only come around once in a lifetime. Just hold on to all your good memories and your folks will always be in your hearts. GOD BLESS YOU in this time of great sorrow. Our thoughts and prayers are with you and yours.
