“ I love you Junior, I don't want this to be real. You were my oldest brother. A piece of us is missing now, the 8 siblings is now seven and my heart is broken. I wish you were still here with us, but your life is in the Lords hands. I'm praying peace that passes all understanding for my niece Shelly and nephew Kevin. We know that all things work together for the good of them that love the Lord and are the called according to His purpose.
