“ I didn't get to know Randy very personally. I just know he was so supportive of our Army ROTC program here at the UA. He was so kind and personable. He will be missed!

“ Randy showed a great deal of kindness to me, my Dad, and a friend in prison. Randy brought us all into the VFW family. Randy was a great listener and helped me work through some personal problems. Randy was helping people right up until the end. I never knew he was so near the end. I think that Randy and my father will be in the same row at the cemetery, my Dad was interned last month. Randy helped us with my Dad. I never got to do anything to help Randy. My prayers now are for the George family. I grieve with you.

“ Brother Randy George was an upright and standing man, soldier, and Freemason, on the level!!

One of the kindest gentlest men I ever met, quite literally a man of charity and benevolence true to definition .. He was the kind of man one should emulate .. You are missed!!

“ *Brother Randy was a good man. I met him at a lodge meeting and always considered him a friend and brother. He always had a smile on his face. No matter how bad things were he was smiling. His presence will be missed by many. God speed Randy, until we meet again on the other side.*

“ *Randy was an enthusiastic friend with a positive attitude and true to his calling to be associated with the Military. I remember we could always count on playing "war" whenever he visited his aunt and uncle in our neighborhood in Springdale! He was also a classmate and willing to help any way he could. He will be truly missed.*

“ Mr. George was a genuinely courteous, kind, cheerful, thrifty, and reverent person. As a scoutmaster and a mentor, he taught me many things whether it was a lifelong lesson or how to tie a knot. We had many fun campouts and meetings together. He was a great man who cared so much about helping others. He will be deeply missed.

“ Randy was a very good friend of mine. He put Veterans first and that was very special to me since my Dad was a Veteran. His compassion for family and the Vets always was a good trait of him. He never met a stranger. He was the reason I joined the VA and my love for vets. Rest high Randy knowing you never have to worry about your breathing. I believe 100% your fellow Veterans will carry on with helping other veterans like you did. I miss you my friend.
