“ *Although I didn't see Tabor the last several years it is still hard to believe he isn't here. We were on same Babe Ruth team and hung around a lot at SHS gym and riding around in the small blue truck of his. Life is too short. Hope to see you again my friend.*

“ *My mom, Phyllis (Frederick) Vinyard, and my sister and I want to send our condolences to the entire Tabor family. We hated to learn of Allen's death and wanted the family to know that you are all in our thoughts and prayers. It's sad - but too often true - that we are reminded of old friends by a death. We are blessed by the memories of friends. Phyllis, Jenni and Pam*

“ The first time I ever laid eyes on Allen he was wearing a grey baseball suit all Tall and Handsome it was Love at first sight. The rest was history we had romantic love for a few years things didnt work out we were both stubborn then the love of a life time took place, Allen and I have been BEST FRIENDS for years through many hard times and any happy occasions Allen has been in the middle of my Life and my Family for years. He was there for me when my DAD died, there for me when my Grandchildren were born. And took me to the Dr when I was sick. And took me back and forth to the vet if I had a sick dog. He was always there to help birth a new litter of puppies. And cry with me if My dog died.

Even if Allen was having a crisis he could always laugh about it and make everybody else laugh with him. I snuck his schnauzer Kela in to the hospital once to see Allen to cheer him up.(almost got in big trouble), I was there when his dog stormy died, and the very next day straight from Heaven Punkin appeared on my MOMS front porch , the day I gave Punkin to Allen I was tottally replaced by the new woman in his life.

Allen has meant so much to me and my family and I feel so privledged to have spent all those years with him by my side.

Our Love for each other could never be stopped by anyone, thing , distance or time. We had a great time when he came to Florida going to the beach, And Him and Flippy went to see the wrestlers WWE. He would call every monday starting at 3 and tell us how many hours were left till MOnday night Raw.

I even managed to get Halen a autograph of John Cena. I think Allen was more excited than Halen.

He watched and worried everytime any hurricanes were coming to florida and kept me updated hourly on the florida weather. Most of all I will miss talking to him everyday on my way to work and every night on my ay home he would plan his call just as I was walking out of the building at night with You off work yet? Im going to miss him so much but I cant be selfish, I know he is in a better place and is now not in pain. Allen even though we didnt walk down the aisle, our love was really till death due us part. Ill see you on the other side. Love forever and always Ivy Magnolia Hummingbird

“ I went to school with Allen, although he is younger than me, it touches the hearts of all who knew him and his family. My brother-in-law Rick was one of Allen's best friends in Dover. May God keep his hand on each and every family member, especially his son.

“ To the family of Allen Tabor. We are saddened to hear of your loss. I was blessed to have worked for years in DHS with Raymond and Rae. Our oldest son, Joe Don, competed in basketball many times against Allen and we had the utmost admiration for him and his parents. They were so proud of All and all of their children. We thought the world of Raymond and Rae and our hearts go out to you. God Bless.
