“ Sending love and sympathy to Lendeal, Tonya and John, as you mourn the loss of your precious wife and mother. We will all miss her and cherish her memory.

It's the little things, the small, everyday occurrences that we will all remember. The laughs, the stories, the knowing smiles and even though it seems like you can never recover from your loss, it is these very memories that will help push the pain away and bring back the smiles. Larry and Linda
