“ *Richard was my elder cousin by just a couple of years, but I always looked up to him and we had many good times together along with our other cousins. It can be said of him. I have fought the good fight, I have finished the race, I have kept the faith. 2 Timothy 4:7*

“ My earliest memory of Richard was when I was about 6 or 7-years old. He would bring his family over to Grandma Allen's house and I would get to play with Doug, Randy, and Debbie. Such good times; however, Randy would always get in trouble and here would come Richard, popping his belt to warn Randy he was coming. Randy would refuse to cry, so Richard would spank him again. I bet his daddy (my Grandpa) did the same thing...based on the stories my mom told, he was mischievous as a child. The most important things I know about Richard is he loved the Lord and was a faithful servant of God, was a good husband, raised his kids right, knew how to laugh and tell good stories, and was a wonderful uncle to me. I love you Uncle Richard, and I will see you again soon.

“ *Brother going to miss you we had some good times especially the times we went fishing together. One time you said let me put this spinner bate on your line that's really birding, so I did. After several tries and lots of bites, kept trying to set the hook and would loose . I said curse word you just starting laughing. Come to find out you cut the nail off on spinner bate. All the time we were playing jokes or tricks on each other. They were good memories. You also hold a special place in Marks heart and all that you tought him and all of us the Love of God. Will miss you till I see you again Some day. Love ya Dan.*

“ *Well our Mother always said she never had any boys but was blessed with Son -in-laws. I had all Sisters but was blessed with brother-in-laws. You were one of them and a very special one. I loved you like a brother and the way you cared for my Sister made you even more special. I know you loved Tena after Donna passed and she made you happy and took care of you when you got sick and I am thankful for that. But now it is time for you to go to your final resting place where so many love ones are. And I know they are welcoming you with open arms. You watch over us down here until we meet again. Your loving Sis Betty. 🙏🙏❤️❤�*

“ All my years growing up, I remember a sweet loving uncle who was happy to see me with a big grin on his face. I remember when he and Donna were first married, they lived in an apartment in Lowell about a block from the big white house we rented. I would ride my bike up to see them, I was probably 11 or 12. May have made a pest of myself cause they didn't live there long! Richard was a wonderful warrior for the Lord.

My family- Just know that Stan and I are with you in spirit and would be there if not for this horrible virus. Love to you all and God bless you.
