“ *It has been decades since I last saw my Uncle Bud, but I remember his infectious smile with fond reverence. He would bring his family across country to California and visit with my family. Unfortunately I was too young and wrapped up in my own world to have truly appreciated their company. My own father, Rudolph, passed away in 2004, so I understand the pain and loss that Bud's family is going through. God bless you all and keep you well.*
