“ *My thoughts and prayers go out to the family. I'm glad I've had the great pleasure of knowing Rich. Rich has been a warm hearted and fun person to be around. I would love our short talks, which would usually turn into long talks at the "Can Man". He will definitely be missed.*

*Rest in Peace Rich!*

“ *At times like this, friends want to share the sorrow that you and your family are feeling and let you know their caring is real. We wish you strength for today and comfort in the days that lie ahead. Just know in your heart how much Rich meant to so many people. He loved to play jokes on those he knew and had a heart of gold. We pray that God will keep your family close at this time and we are offering a heartfelt prayer in sympathy today that God will bless and comfort you in His own loving way. To me Rich was a wonderful person. He will greatly missed by all. Charlotte, I am just a phone call away.*
