“ *I enjoyed many visits with Richard over the years. Many of the visits were highlighted when we talked about times each of us were trying to catch fish on the "Great Lakes of Iowa". His "catches" always seemed to be larger and more than mine though! I'll miss Richard's sense of humor as we traded stories. He and Barbara shared a trusting and Spirit filled life. His and Barb's faith journey have placed each of them in God's supportive and loving care. Rest in peace friends. Bill and Carolann Golbuff*
