“ *To: Richards family, Leona and Gail. How special your family was to our family. I can just see Daddy (Jim Conner) with open arms welcoming Richard into Heaven. I still remember saying Richard called Daddy late one night and said Bro Conner I need to talk to you and Daddy went right over. Richard and Daddy are probably talking about that right now. Love you Leona Janet Williams and Mary Conner.*

“ *Gail, I know not much can be said at this time to take the pain away, but I hope you can find comfort in knowing that our Heavenly Father knows how you feel and the bible says He is near to those broken at heart; Psalm 34:18 so pour your heart out to him in prayer and he will sustain you; Psalm 55:22.*
Sincerely
Angie

“ *Richard was a truly great person and friend, though we haven't seen each other since we were neighbors i often thought of him and his family and what wonderful people they are.
Richard was a friend to all who knew him and set a standard to live by, I'm confident God has a special place for him.*

“ *Worked with Chief Feast in his second career as investigator with the Sheriff's Office. Richard was (and is) respected by many, not because he demanded it, but because he earned it. It was an honor and privilege to serve with him.*

I am sorry to hear of his passing, but I am grateful to know where he is today. My prayers are with you all.
