“ *I'm sorry to hear of Rick's passing. I knew him my senior year in school at Groveport. I remember how sweet and friendly he was to me as a new student in a new town! His cute face and smile. I couldn't help but smile back when he smiled! Beings back fond memories....*

“ *I moved here a year and a half ago. I work at SynergyTech where he was taking classes at night. He was one of the first night students I met and every time he came for class we would always hold conversation. From family to farming to work, we always talked. I didn't know him out in the World but I will miss him. In my World, a good man. Rest in Peace. I will miss our conversations. Your laugh.*

“ *My heart breaks for all of you. You will be bombarded with cards and support right after the funeral. It will be later that you actually go through all kinds of emotion. This is normal and difficult. Focus on the good memories and talk about Rick. I love you all. Call me anytime. And like my son always said , "Do not live in the would of, could of, should of's."*
