“ *Dear Billie, Tim, and Family,*

*Although Nancy and only knew Dick as a result of being customers, we never really felt like we were customers....we felt like Dick was a friend helping us out with our vehicles. We've been dropping off cars at Springdale Tire and visiting with Dick since 1998 and I was deeply saddened today when I learned Dick had passed. Tim and Billie, you are in our thoughts and prayers during this time. God Bless you and your families.*

“ We have been customers of Dick and his family at Springdale Tire for many years. It was nice to patronize a family operated business, and we were always impressed with their service and friendliness. We will certainly miss Dick's good natured joking, and we know his family members are grieving the loss of this good man. Our sincere sympathy to Billie and Tim, as well as the entire family at this sad time. Rob and Vicky Strange

“ Dear Billie and Family,  
I read Dick's obituary in this mornings paper. I know this is a very painful time for you and your loved ones. Dick was so well known and loved by all who knew him. I don't know if you knew my husband, Tom Ryan, had died of cancer in December 2013. He always stopped to visit Dick if we were anywhere near Springdale. He often reminisced about their fishing trips and enjoyed his visits with Dick so much. I feel sure he was on hand in heaven to receive and welcome Dick when he arrived. Do you think they will even have fishing in heaven? They might even catch some big ones to talk about. I pray you and your family will be at peace and know we will all be together again and can enjoy their fish stories again. I pray Our Lord's blessings and peace be with each one of you  
My Love and Prayers,

“ Have known Dick for probably 25 years. When he would work on my car and I didn't have the money to pay the entire bill he'd say "pay me when you can. I know how hard it is to raise a family". I always appreciated that. A super nice guy. Rest in peace Dick. Our thoughts and prayer go out to the family.
