“ *To all of you,
I know you already know how much Uncle Dick truly meant to me, Jon and Kelly. I loved talking to him on the phone and hearing all the stuff that goes on at home with all of your lives. We were so lucky to have spent a week with him and Auntie Sharon at our house in AZ. We had such a great time. He golfed every day and enjoyed the sun and sitting at the pool and talking and laughing. We will treasure that time we spent together. I loved him with all my heart and I will truly miss him. I know the rest of our loved ones are so happy to greet him in heaven. Love you guys, Mary, Jon, and Kelly*
