“ *My memories of Dick will always be treasured. He always showed me love, ever since my Dad and I were blessed with joining the Weis family. My thoughts, and those of my family, have been with you during this difficult time. It had been many years since we were able to be in Arkansas for Christmas; I treasure the memories of being with all of my family for Christmas, and I am especially honored that we were able to be with Dick for his last Christmas, his favorite time of year. Sure, everyone loves Christmas, but Dick's joy came from seeing the joy of everyone in his family, and he always made Christmas special. Aloha, 'Ohana Froning (Donnie, Martina, Kalei, and Kekoa)*

*“ I first met Dick in the late sixties when he moved to Springdale as the Regional Manager for Sunray DX LP Gas. I was a worker there and he had enough faith in me that he gave me my first managers job, and later gave me a regional position working under him. He was a great boss and a great person that I am proud and blessed that I called my friend. He was an ICON in the propane industry and was looked up to as 'the best'.*
