

Rick D Mayes

July 21, 1962 - September 9, 2022

Rick D Mayes, 60 of Springdale passed away Friday, September 9, 2022 at Northwest Medical Center in Springdale. He was born July 21, 1962 in Springdale, Arkansas to William Guy Mayes and Ruby Mae Allred Mayes.

Rick worked as a Truck Driver/Mechanic for many years. He was the best Dad and Geepaw. Always came to our rescue to fix whatever needed fixing. Loved spoiling the kids, and called us all his pride and joys. Always had a story to tell, including his mule riding stories that no one will ever forget. He was always there for everyone, and everyone counted on him, and always jumped in to help. He was everyone's phone call when their vehicle needed work. He was everyone's friend, and loved to laugh and joke and give everyone a hard time. He loved his family more than anything in the world, and made sure they always knew it.

He was preceded in death by his parents and two brothers, Dennis Mayes and Dale Mayes.

Survivors include his wife, Kaye Mayes of the home; one daughter, Kaycee Holliday and husband Mat of Hindsville; two grandchildren, Calvin and Kasidee Holliday; three brothers, Darrell Mayes Hindsville, Gary Mayes of Hindsville and Terry Mayes and wife Lajuana of Winslow; one sister, Rita Beasley and husband Ron of Rogers; and several nieces and nephews.

Graveside services will be Tuesday, September 13, 2022 at 10am at Joyce Cemetery with Sam Elderton officiating.

No visitation is planned.

“ My name is Dave Ashworth and I work for Stewart Stainless Supply in Dallas, Tx. I want to offer up my most sincere condolences to the Family of Rick. My heart is breaking right now. Rick and I were good friends for along time. I'm a truck driver as well and I have very fond memories of he and I having heart felt conversations about our lives outside of work. I feel like I know his family pretty good as much as he talked about them. His sweet wife and the battles she faced with her health. His sweet daughter and how she would call on him for everything; his knuckle head son in law and the challenges of trying to keep him in line...lol. Last but not least; his pride and joy...his precious grand babies. OH how he loves those grand babies. I remember how proud he was when they were born. He showed up in Dallas with his Ole chest poked out like a banny rooster. We would talk and pray about the struggles his wife had and has with her health. The one thing I know for sure about Rick is he truly loves his family. That man worked his butt off to take care of them and make sure they had what they needed and wanted. He sacrificed himself in Service of his family. Rick put up with a lot in behalf of his family. My heart is heavy today when I got the news of his passing. I still can't believe this is real. That my good friend is gone. The only thing that gives me comfort is knowing that Rick is with our Lord and Savior now. Rick will always be in my heart. The memories that we shared will always be remembered. It doesn't seem fair. I'm having a hard time with this right now. But I will honor Rick's memory with every mile I drive, every load I tarp, every strap I throw by smiling and laughing. Making someone else's day full of laughter like he did mine. God bless and keep you Rick! I'll catch you on the flip side driver! God bless Rick's family and comfort them in their time of need. A Great Man has gone home and He will be greatly missed.
