“ *it just doesnt seem fair that he left so soon with so much love yet to give these girls,i keep telling them things would work them selves out and in time they would be able to see him again..i dont blame Ricky for alot of the things that happened.if we could only see in the future ..we would not of fought like over those girls ...they are very hurt and very upset they didnt get a call to say goodbye to their daddy one last time!but we have been and go often to pay our respects ...they are doing well and we have surrounded their rooms with memories and pictures of them together ...,it seems to help some what ...it will never bring him back but we have videos of him with the girls and some wonderful pictures that is something that they will treasure as well.he is gone but not forgotten!still loved and missed very,very much!*

“ *My heart goes out to all of you....I know there are no words that could be said to take away the sadness...only time can do that....just look toward the heavens and pray and God will take care of you all. My thoughts and prayers are with you all. God bless you*
