“ *I am so sorry to hear of Rita's passing. What a blessing she was to our neighborhood. I knew she had gone to stay with her son or daughter and I wish I would have known she was so ill. She never expressed it and that was so like her. Everyone knew her on our street and loved her for being our street mama. She'd walk the dogs and talk to all of us!! I would like to know that her little dogs are okay. She loved them so much. I am so sad that I didn't hear in time to attend her memorial funeral and meet the family that she was so proud of. Sherry, I'm sorry too. She loved her neighbors and neighborhood. Her little dogs are doing great. Marble the chihuahua lives with her son, David and Dolly the Westie was adopted by one of the hospice nurses who fell in love with her while helping with Mom. Thank you so much for your kind words. This is her daughter, Sheila.

“ *Please accept my deepest sympathy. I will remember Rita fondly and feel lucky that I had the pleasure of knowing her. Rita was a wonderful seamstress and altered many things for me. I enjoyed visiting with her when she came to Farmington City Hall to do business. My thoughts are with the family. May your memories be a source of comfort.*
