“ *Sandra, Karen, children and family --So very saddened to hear of Bob passing - The last memory I have of Bob was when he was here cutting wood at our place. We talked about his heart and he assured me it was getting stronger - he was feeling good and enjoying himself. Our prayers are with you. Bill and Jewell*

“ *So sorry to learn of Bobby's passing. Growing up together, same age, related and just across the field produced many great memories. Hide and seek, home hair cuts (Karen was pretty good with the clippers), lake trips, all infused with the Bridgewater orneriness. Very special memories to this cousin. I'll miss him. My prayers are with each and everyone.*

“ *I was so sad to hear about Bobby's passing. Thinking of him
brought back many memories from when we all were kids living on
Halstead St. Those were great times... Bret and Bobby setting the
field on fire, the tree house and bag swing, the motorcycles ...
My thoughts and prayers are with you.*
