“ *Condolences to the Brown family. Our thoughts and prayers go out to your whole family. Psalms 147:3 says God, "heals the broken hearted, and binds up their wounds." May God bring you comfort and peace.*

“ *Diana - Carol and I are in shock after hearing about Rob. We were with Doug and Cindy when Doug got the word about Rob's passing. Our prayers are certainly with you at this heartbreaking time. The world is a poorer place without him in it. He was a good man.*

Love to you and yours,

“ Rob and I go back to Barstow, CA. in the late 80's. He got me to throw darts for his team out of the Mia Inn. we became friends. We played darts drank a few beers, Won a bunch of little stuffed animals for a very special young lady. One day he shows up at my apartment door looking for Dianna (he didn't know she was my niece and staying with me for a while). He had some patches from the Darts. He looked at me and asked if we were together. And the rest is History. Stay safe in your next Adventure Rob.

“ My favorite memory of Rob is when we were kids he had just got his drivers license and got his own car. Mom made him drive me to school. He didn't want to be seen with his little sister in the car so he made me sit on the floor board. Every time I tried to get up he would push my head back down. I sure loved my big brother and will miss him dearly.

I have to admit I had the biggest crush on Rob when I first met him. Give mom a hug for me when you see her. You will be missed by many. My prayers go out to your family and friends. Sheila

“ My favorite memory with Rob was visiting Lassen National Park after he got out of high school. We traveled across the states and spent a few weeks up in Northern California. Many memories as kids, we were very close friends then. I love that kid! I'll see you later; give a good work for me up there... ..Ed
