“ I knew Bob through the construction industry. Bob was a very honest, outgoing man that I had a lot of respect for. Bob had the highest integrity a man could have. He was very knowledgeable in the electrical industry. Bless the family and may The Lord be with the family for comfort through these difficult times. Lee Dunk

I worked for Bob for ten years at Marr's Electric as project manager and labor superintendent. He was the greatest boss anyone could ever have. Bob was also a true friend who was always there for anyone of his employees who needed help and guidance. Bob Killion was and will always be a great and true friend to me. We will meet again.
