“ *We share in your loss of Bob (and Polly) but we will hold close in our hearts forever those special memories of just how much they touched our lives (and those of countless others in the Eureka Springs community) and we are all better people for having known them, and the family they cherished so much (Jeff, Lori, Neal and Russell).*

“ *Hi, Jeff*

Just read your dad's obituary in the Lovely County Citizen. I'm so sorry for your loss. Your dad was one of the nicest men I ever knew. Quiet, but very friendly and your mom was the best too while I'm at it! I always loved talking to them both at Wal-Mart or Harts or in passing as they took one of their walks around the loop. I love thinking of them walking side by side in heaven now.

Chris just walked by and said to say "Hi". Our thoughts and prayers are with you, Lori, and your boys.
