“ *Life is so hard at times; and we suffer loses that we don't understand; and are so devastating that we can hardly comprehend what has happened; we may not ever truly understand them till we are all together in heaven. Try to stay strong and focus on the blessings in life; they are there!!! Take it one day at a time; May Jesus bless and tenderly comfort you and hold you in His loving arms during this difficult time. I am thinking of you and praying for your special family! Love you!*

“ Steve McCamey & Family,

You just never know what life has in store, Rodney's passing was such a shock. I know that he's found peace now and that he will look down at all of his family and friends and gives us one of those silly smiles he had.

Time will ease the pain, but not the memories. Keep those memories alive so you might share them with his sweet little girl. Steve and I are here if any of you all need anything. Rodney will be missed, but he won't be forgotten. Love you all.
