“ Roger was an exceptional person. He was not only a great friend but also a reliable coworker. He treated everyone the same, no matter who they were.
From cracking jokes at the staff meetings, talks that seemed to solve any issue you were having, to him taking time from his lunch to go get Logan and Mahrlie when it was cold or raining, when I couldn't leave work. The 3 of them said that he was like a Grandpa to them.
I will miss seeing him around the building, our passing greetings, and him always asking me how my kids were doing. He took the time to really get to know people, and he kept true to his word. I am grateful to have met him.
He will be greatly missed, but not forgotten.

Much Love to his family and close friends.
