“ We were so happy to have Roger in our lives! He was such a happy & fun guy. He could always make us smile! What a great person to have in the family!

We had so many good times visiting in the summers when we were young and remember boating on Beaver Lake with Roger and his family. You introduced me to fried pickles and pizza with anchovies one I loved and one I hated! I was so fascinated by your drawings. The last time I saw Roger I reminded him of always remembering Aunt Joan saying, "Hush Roger!" Uncle Elmer, Roger, nor Susan could remember her saying that but I always have. I still say to it this day. So now Roger while you are in heaven you can hear your momma say hush Roger once again. Love, your Cousin, Lynette and her family Russell, Nate (thank you Charlene for all you do for him), Jake (who had a special bond with Roger), Audrey, and your Cousin Kim and her family.
