“ *I remember probably 1973 Ron broke his arm and was in a cast. I was 16 and Ron was 31. He couldn't drive his new truck (which I think he washed and shined daily) because it was a standard so we traded vehicles for a couple months and he drove my Mustang. Over the years we could always catch up right where we left off seeing each other sometimes years later. He was a great guy and I will miss him. Rick Whittle*

“ *Mitzi, Shaun and Jenn,
Your dad and papa was so blessed to have y'all. You made him a priority and took care of him when he needed it the last few years. He told me many times that he didn't know what he would have done without y'all! I know life is going to be difficult for y'all without him. After having already lost Bill and Ken, losing your dad is really hard for me. Please know i am here for y'all anytime you need me. I love y'all so much!*

“ I am so blessed that I had the pleasure to share your Dad my entire life. He was one of the finest men that I have ever known. He set a great example of what a husband, father, and friend should be. Ride that bike on the streets of gold Pa Ron! I love you all!

“ Ron was the first person we met when we bought our house in 2015. He knew everything about the house and the people who had lived in it. He was a great person, neighbor and friend. We will miss him everyday. I am so glad he is no longer in pain.
