“ *Having a twin is like nothing one can ever imagine. The relationship is different than having a sibling. We were formed together at the same time while we were developing in our mothers womb. When this connection is broken because of death, the one left behind is missing a part of their body. I feel the loss of my brother every day. Rest in peace my twin. Mindy, I love you and are here for you. Sis*

“ 1st thing We all miss Ronnie. He was a great human being. We know that he gave his heart to Jesus, his heavenly father. He asked God to forgive him for his wrong doings (sin). God forgave him. Made him a new person. Thank You Jesus for loving us so much. Ronnie is my Uncle. Always smiling is what I think of the most. We've lost a precious soul. We will see Ronnie again. No more pain. He has a new body Thanks to Christ for that. Mindy we are all here for you. We love you and Thank You for being such a great wife to Ronnie. Much love from our family. Linda Auman and the Williamson family, Shirley, Tim, Karen, Jackie and all the others!

“ Mindy, It's important for partners in life to believe, to cheer, and to support one another. You had that in Ronnie, especially when you decided to return to school; and, you supported him on the road. You two were a solid team and great models for many!
