“ *I worked with Rose in the OR at WRMC for many years. I am so sorry to have missed the visitation and the funeral. I want you to know that I was thinking of you all during this time though. Rose was such a special lady. She knew so much about being a nurse and she shared it with all of us. In fact, really, she was in charge of the OR! If Rose told you do to something, you had better do it and you had better do it her way! She was always kind and was such a role model for us younger nurses (not so young now!) Honestly, the last time I saw Rose, she looked just about the same as she did before she retired. She was of that special generation like my parents, and I don't know that we will ever be able to thank them for all that they did for us and for what awesome people they were. I loved Rose and I hope she has a wonderful time in heaven! Beth Duerr*

“Grandma Rose was always so kind to me. I remember playing puzzles with her in High School. She always took interest in what I read and treated me with love and kindness. She was so lively and vivacious, honest, and sharp. She will be sorely missed by me and my family. I love her so much and I'm glad that she was a part of my life!
