“ *I am very sorry to hear that my aunt Aline passed away, but I know she is in a better place. She was a wonderful lady who will be greatly missed by all of us. When I think of Aline I think of her smile and bubbly personality, my uncle Grover and their boys. Our prayers are with Aline's family during this time.*

“ *Sorry we were not able to make it to the funeral but it was good to see all at the visitation Thursday night. Your Mom was a great lady and was a very good friend to my mother. I have many fond memories of growing up and spending time at the Fuller house and have always wondered how she was able to do all that she did with 4 boys and having many of their friends being there at the same time. The only time that I could ever tell that she was upset about something was when she called you boys by your first and middle names. May God give you the comfort in dealing with her passing. Sincerely, Bill and Sheryl Rainwater*
