“ I'm so sorry to read of her passing. She was my aunt. Although I lost touch with her over the years, I still loved her. I remember spending the night at her house when I was young and often running into her at the grocery store. We always shared a hug. My heart goes out to her children, my cousins. She will be missed.

“ I worked with Roxie over 30 years ago at Cintas. She gave me a set of pearls from Avon for me to wear on my wedding night. My husband also worked at Cintas. She was the sweetest ever! I still have those pearls and I'm still married to the same man 32 years later! Every time I wear them I think of Roxie! RIP sweet Roxie.
