“ *Roy and I started a Auction Bus together long time ago. I was young and dumb and Roy was always telling me to just be calm and all would be ok. I learned a lot from Roy, but most of all I learned Kindness.*

Heaven just got another Great man

“ I remember being in square dances with Roy calling the cowboy loop and the grapevine twist. When I was working at the Tyson Print Shop, Roy would come in and pick up for his delivery, we would laugh at all those dances and how my Dad would complain about messing up his hair. Lila and family I have you in my thoughts and prayers.
Maybe someday we can do another square dance and have Roy calling out the cowboy loop and the grapevine twist.

“ Roy was a great person and a great team member. Roy was a big part of the growth of the Tyson Monett, Missouri complex in the early days by providing mail service every day rain or shine to link our business with Springdale during a time of rapid growth. His mail run was always a bright spot in our day. Always enjoyed his stories about the early days. Mr. Phillips witnessed a lot of change in our company. He will be remembered.

I remember that Dalton told me one night at the Hospital that he was going to Heaven and I told him that he sure was. I'm so thankful that I've known Dalton for all these years and especially got to help pray him through the night he got saved, which was a special night that I won't ever forget. I loved him very much and will miss him GREATLY and will see him again someday.
